In 2012, VK was awarded the *JM/Sheth Foundation Best Paper Award* for his paper published in the *Journal of Marketing* that contributed to the Long-Term Impact of the practice of marketing, and in 2009, the *Sheth Foundation Award* for the best paper published in the *Journal of the Academy of Marketing Science*.

Dr. Kumar is a worldwide expert on marketing research methods and Customer Relationship Management Strategy. He has lectured on *International Marketing Research* in many continents. He has co-authored texts titled, **Marketing Research, 12th edition; Global Marketing Research; Customer Relationship Management: Concepts, Strategies and Tools, Second edition; and Statistical Methods in CRM** which were published in September 2012. His other books include **Essentials of Marketing Research, 2nd edition**, and **International Marketing Research**. His books have been translated in to many languages (Chinese, Portuguese, Macedonian, Russian, and Spanish) worldwide. His book titled “**Managing Customers for Profit**” was published by *The Wharton School Publishing* and has been translated into 6 different languages worldwide. Dr. Kumar also authored a book titled “**Customer Lifetime Value: The Path to Profitability**” (Now Publishers, The Netherlands) which was released in September 2008. His most recent book titled “**Profitable Customer Engagement: Concepts, Metrics and Strategies**” was released in 2013 by Sage Publications. In addition he has a new work titled “**Marketing Research: A Global Outlook**” which was just released.

Dr. Kumar has also had the privilege and the honor of being named as the **Editor-In-Chief (EIC)** of the *Journal of Marketing*, the number one ranked academic journal in the field of marketing. His tenure as EIC runs from July 1, 2014 to June 30, 2018. He is also an **Associate Editor (AE)** for the *Journal of Marketing Research*, *International Journal of Forecasting* and the *Journal of Retailing* and serves on the *Editorial Review Board* of *Marketing Science*, the *Journal of International Marketing*, *Journal of Interactive Marketing*, *Journal of the Academy of Marketing Science* and the *Journal of Business Research*. In the past, he has also served as a **Guest Editor** for the *Journal of Marketing and Journal of Marketing Research* and **Guest AE for Marketing Science**. He is also a reviewer for many journals including the *Management Science*, *Journal of Strategic Marketing*, *International Journal of Research in Marketing*, *Journal of Advertising*, and *IEEE Transactions on Engineering Management*.

Dr. Kumar is a member of the American Marketing Association (AMA), the International Institute of Forecasters, the Academy of Marketing Science, and the INFORMS (and the TIMS College on Marketing). He has served as a Track Chair, and Faculty Consortium Chair in the Academy of Marketing Science Conferences. Dr. Kumar was selected to **co-chair** the American Marketing Association's Summer Educators' Conference at Chicago in August 1992. He served as the **Director of the Doctoral Program** in Marketing at the University of Houston from 1992 to 1997. Dr. Kumar has served as a *judge* for three consecutive years in the "Houston Awards for Quality" Program. He also served on the **Academic Council** of the American Marketing Association as a Senior *Vice-President for Conferences and Research* and as the *Vice-President of International Activities*. Dr. Kumar currently serves on the Insurance and Financial Services Related Task Force organized by the Hartford Chamber of Commerce and recently served on the **Academic Council** of the American Marketing Association as well its **Knowledge Coalition Task Force**, and the **AMA Finance Committee**. Dr. Kumar is currently the **Vice President, Practice** for the Institute for the Society of Marketing Science (ISMS), and has also served as the *Chair of the first ISMS Doctoral Dissertation Proposal Competition in 2010*.

Dr. Kumar has extensive consulting experience working on marketing research projects for companies including IBM, Comcast, HSBC, P&G, ING, Prudential, Wells Fargo, ICICI, Pitney Bowes, Chick-fil-A, BP/AMOCO, AOL, MGM Mirage, Polo Ralph Lauren, AllState, Home Depot, Equifax, PeopleSoft, Sigma Genosys, Houston Cellular, AT&T, Southwestern Bell, Exxon, Builders Square, American Airlines, Coca-Cola Foods, Channelview Bank, DuPont, First Interstate Bank, Houston Lighting and Power, GTE, San Jacinto Girls Scouts, Inc., Scientific Software Intercomp, Inc., Gallery Furniture, and Texas Children's Hospital. Dr. Kumar has also directed marketing research projects for clients including Coca-Cola Foods, Compaq Computers, Baker-Hughes, Houston Northwest Medical Center, The Daily Cougar Newspaper, Arch Chemicals, IKON, Bristol Myers Squibb, ABB, etc. Dr. Kumar is an expert on working with customer databases to build efficient direct marketing and database marketing programs for Fortune 500 firms dealing with consumer and industrial products. He also builds models and develops marketing programs with the point-of-sale retail scanner data of grocery stores and supermarkets. Dr. Kumar also interacts with A. C. Nielsen and Information Resources, Inc. in analyzing large scanner databases of supermarkets. Dr. Kumar has also served as an expert witness in lawsuits related to market opportunities. He also served on the board of the business research division of one of the fastest growing advertising agencies in the United States of America for over five years and has also served on the Board of one of the Aditya Birla Group of companies.

Dr. Kumar has developed sophisticated statistical models and creative marketing strategies for solving marketing problems. Some of these models were implemented by IBM and P&G Asia-Pacific recently where they reported gains in profits of over 20 million and 40 million dollars respectively. In 2009, Prudential reported a gain of over 450 million dollars when implementing the Emotion Retirement Quotient Tool developed by Dr. Kumar and his colleague. He was recently recognized by the INFORMS Marketing Science Society for his work on Customer Lifetime Value based applications to IBM, and Marketing-Mix modeling based applications to P&G Asia Pacific. He also won the \$100,000 Academic-Practitioner Challenge sponsored by ISBM-MSI and Northwestern University in 2006-07 for developing the most relevant and rigorous body of knowledge to solve B2B business problems. In 2010, Dr. Kumar was chosen as one of the winners of the **Google-WPP marketing research award** in the worldwide competition for his co-authored research on monetizing the customer influence in a social media channel. This body of work was implemented in an emerging market - India, for an Ice Cream Retailer - Hokey Pokey. This implementation of Marketing Science to Marketing Practice was selected as the winner of the **2011-2012 Gary L. Lilien ISMS-MSI Practice Prize**.

Dr. Kumar was recently cited as one of the *top five ranked scholars in marketing worldwide* (Source: *AMA SIG*). He was selected as a recipient of the **2012 Paul D. Converse Award** given for significant contributions to an area in the field of marketing. He has also been recognized with a total of **11 other**

Lifetime Achievement Awards: **4 Lifetime Contributions Awards** from the AMA for advancing the Theory and Practice of Marketing Strategy, Theory and Practice of Marketing Research, and Retailing and B2B Marketing; **lifetime recognition** from the AMA Foundation for career contributions to Marketing; the **lifetime award** from the Institute of Study for Business Markets at Penn State University for career contributions in Business to Business Marketing; and the **another lifetime achievement award** (Robert B. Clarke Award) from the DMEF for contributions to Direct and Interactive Marketing. Additionally, in 2014 Dr. Kumar was named as the Innovation and Growth (iSIG) fellow at the School of Management at Fudan University in China. Recently, Dr. Kumar was presented with the 2015 AMS/Cutco Distinguished Marketing Educator Award from the Academy of Marketing Science.

He was also recognized as a Marketing Guru by the IIT Alumni Association in 2006, and as a Distinguished Marketing Doctoral Alumni at the University of Texas at Austin. Recently, Dr. Kumar was conferred with the **Bharat Gaurav** (Prestige of India) Award, **Glory of India** Award, **Pravasi Achievers' Gold Medal**, and the **Hind Rattan** (Jewel of India) Award for demonstrating excellence in the chosen profession. A member of Phi Kappa Phi Honor Society, Dr. Kumar received his *Bachelors* in Engineering (with **Honors**) and *Masters* in Industrial Management (with **Distinction**) from the Indian Institute of Technology, and his *Ph.D.* in Marketing from the University of Texas at Austin.

Dr. Kumar has been selected as one of the 8 *Legends in Marketing* Worldwide. His scholarly contributions have been published in the **Legends in Marketing** Series as a 10-Volume Collection by the Sage Publications in 2012 with commentaries from scholars worldwide. Subsequently, the Chinese Ministry of Education awarded the **Chang Jiang Scholar** (2014 - present) honor to Dr. Kumar, the highest honor provided to an academic scholar worldwide. Dr. Kumar has been recognized as a **Lee Kong Chian Fellow** (2015-16) at Singapore Management University, Singapore, where he collaborated with researchers on futuristic topics. Recently, Dr. Kumar has been honored as the **Senior Fellow**, Indian School of Business, India, **Fellow**, Hagler Institute for Advanced Study, TAMU, College Station, TX, and inducted as a **Fellow** of the American Marketing Association in 2017.
