BRIEF RESUME

V. KUMAR, Ph.D.
Brief Resume

www.drchkumar.com; and www.vkclv.com

Dr. V. Kumar (VK) is the Goodman Academic-Industry Partnership Professor of Marketing, Goodman School of Business, Brock University, St. Catharines, ON, Canada. He holds/has held several Fellowships including the Distinguished Term Professor, and Senior Fellow, Indian School of Business, India; Distinguished Fellow (MICA, India); HUL Visiting Chair Professor (IIM Ahmedabad, India); Distinguished Visiting Professor, IIM Bangalore; and Distinguished Professor of Research (WE School, India). He was previously the Salvatore Zizza Professor of Marketing at St. John's University, New York; Regents' Professor; Richard and Susan Lenny Distinguished Chair & Professor of Marketing, Executive Director, Center for Excellence in Brand & Customer Management, and the Director of the Ph.D. Program in Marketing at the J. Mack Robinson College of Business, Georgia State University. Prior to that, VK was the ING Chair Professor, and Executive Director, ING Center for Financial Services at the University of Connecticut, Storrs, Connecticut. Dr. Kumar teaches a variety of courses including Strategic Customer Analytics, Brand Management, Marketing Strategy, Database Marketing, E-Marketing, Customer Relationship Management, New Product Management, Marketing Models, International Marketing Strategy, International Marketing Research and Multivariate Methods in Business. Dr. Kumar has taught in the MBA Programs in Australia, France, India, Spain, Holland, and Hong Kong. Dr. Kumar has lectured on marketing related topics at various universities in the U.S., **Europe** (including University of Cambridge, Brunel, Leeds University Business School, Manchester, Lancaster, Newcastle University, U of Glasgow, Strathclyde University, and London Business School in the U.K.; INSEAD in France; IESE-Barcelona and University of Zaragoza in Spain; University of Kiel and University of Munster in Germany; Tilburg University and Nijenrode University in the Netherlands; Hanken Business School, Finnish School of Business and Turku School of Business in Finland; Catholic University at Leuven in Belgium; Lancaster University, University of Leeds, and Brunel University in the United Kingdom; and Stockholm School of Economics in Sweden), **China** (Fudan University, Huazhong University of Science and Technology, Tsinghua), **India** (Indian School of Business, Indian Institute of Management, Management Development Institute, Indian Institute of Technology, Institute of Management Technology, MICA), **Slovenia** (University of Ljubljana) **Scotland** (University of Strathclyde), **Russia** (Skolkovo School of Management), **Australia** (University of Sydney, Queensland University of Technology, Griffith University, University of Queensland, Curtin University), **Brazil** (FGV University, PUCPR - Curitiba), **Turkey** (Boğaziçi University and Koç University), **Mexico** (Monterrey Institute of Technology, ITESM), **South Africa** (Nelson Mandela Metropolitan University Business School), **Israel** (IDC University, Ben-Gurion University of the Negev, Hebrew University of Jerusalem), **Dubai** (Institute of Management Technology), and **Singapore** (Singapore Management University and Nanyang Technological University). He has also conducted numerous executive development seminars in the North America, South America, Europe, Asia, Africa and Australia. He has also been invited to be a keynote speaker in many conferences worldwide.

Dr. Kumar received in 2017-18 *Best Teacher* and in 2013, 2012 *Outstanding Teacher Award* at Georgia State University, 2007 Teaching Excellence Award, and 2007 MBA Teacher of the Year Award at the University of Connecticut, 1996 *Melcher Award for Faculty Excellence in Teaching*, 1994 *NationsBank Master Teaching Award* and the *Melcher Faculty Teaching Excellence Award* for five years between 1990-94 and 1995-96 at the University of Houston. For the academic year 1991-92, Dr. Kumar also has been recognized as the recipient of the *University of Houston Teaching Excellence Award*. It also should be noted that throughout his career, Dr. Kumar has served as the dissertation chairman for 25 students.

Dr. Kumar is currently listed in **Who's Who Worldwide**, for his leadership and achievement in the field of Marketing, and **Who's Who Among Global Business Leaders** for his thought-leadership and quality

work. He received the 2011 *Outstanding Researcher Award* at Georgia State University, the 2002-2003 *Best Paper Award* as well as the 2003 *Research Excellence Award* at the School of Business, **University of Connecticut**. He was also awarded the 1999 and 1997 *Melcher Award for Faculty Excellence in Research*, the 1994 *College of Business Alumni Association Distinguished Faculty Award*, the *Kent Electronics Computer Research Excellence Award* (1990-91) and the *Melcher Faculty Research Excellence Award* (1989, 1998 and 2000) at the University of Houston.

Dr. Kumar has several areas of special interest that include measuring Customer Lifetime Value, modeling diffusion of cellular services, analyzing scanner data, developing new models and methodologies to forecast sales and market share, and identifying market segments. He also specializes in the areas of E-Commerce, Direct Marketing, Total Quality Management, Customer Satisfaction, and International Marketing. He has published over 250 articles in leading academic journals including the *Harvard Business Review*, *Sloan Management Review*, *Journal of Marketing*, *Marketing Science*, *Journal of Marketing Research*, *Management Science*, *Operations Research*, *Journal of the Academy of Marketing Science*, *Journal of Advertising Research*, *Journal of Business Research*, *Journal of Retailing*, *International Journal of Forecasting*, *International Journal of Research in Marketing*, *Journal of Direct Marketing*, *Marketing Letters*, and the *Journal of International Marketing*, and in many other international journals such as *Australasian Journal of Market Research* and *Revista de Estadística* as well as in the proceedings of many national conferences in the U.S and abroad, books and book chapters. He has won several awards for his research publications in scholarly journals including the *Don Lehmann Award* **seven times** (in 2001, 2005, 2010, 2014, 2016, 2017 and in 2019) for the best paper published in the *Journal of Marketing/Journal of Marketing Research* in a 2-year period, the *MSI/Paul H Root Award* **thrice** for the 2003, 2005, and 2009 *Journal of Marketing* articles contributing to the best practice of marketing, the *Robert Buzzell Award* in 2010 for the best paper published by the *Marketing Science Institute*, the *Davidson Award* for the best paper published in the *Journal of Retailing*, the *S. Tamer Cavusgil Award* for the Best Paper published in the *Journal of International Marketing* **twice** (2014, 2017), the *Outstanding Paper Award* for the best paper published in *Forecasting* from the International Institute of Forecasters, and the *Best Runner-Up Award* for the paper published in 2005 in the *Journal of Interactive Marketing*. In 2012, VK was awarded the *JM/Sheth Foundation Best Paper Award* for his paper published in the *Journal of Marketing* that contributed to the Long-Term Impact of the practice of marketing, and in 2009, the *Sheth Foundation Award* for the best paper published in the *Journal of the Academy of Marketing Science*.

Dr. Kumar is a worldwide expert on marketing research methods and Customer Relationship Management Strategy. He has lectured on *International Marketing Research* in many continents. He has co-authored texts titled, **Marketing Research, 13th edition; Global Marketing Research; Statistical Methods in CRM and Customer Relationship Management: Concepts, Strategies and Tools, 3rd edition**; which were published recently. His other books include **Essentials of Marketing Research, 2nd edition**, and **International Marketing Research**. His books have been translated in to many languages (Chinese, Portuguese, Macedonian, Russian, and Spanish) worldwide. His book titled “**Managing Customers for Profit**” was published by *The Wharton School Publishing* and has been translated into 6 different languages worldwide. Dr. Kumar also authored a book titled “**Customer Lifetime Value: The Path to Profitability**” (Now Publishers, The Netherlands) which was released in September 2008. His most recent book titled “**Profitable Customer Engagement: Concepts, Metrics and Strategies**” was released in 2013 by Sage Publications. In addition, he has a new work titled “**Marketing Research: A Global Outlook**” which was just released.

Dr. Kumar has also had the privilege and the honor of being named as the **Editor-In-Chief (EIC, April 1, 2014 – June 30, 2018)** of the *Journal of Marketing*, the number one ranked academic journal in the field of marketing. He serves/has served also an **Associate Editor (AE)** for the *Journal of Marketing Research*, *Journal of the Academy of Marketing Science*, *International Journal of Forecasting* and the *Journal of Retailing* and serves/has served on the *Editorial Review Board* of *Marketing Science*, the

Journal of International Marketing, Journal of Interactive Marketing, and the Journal of Business Research. He serves/has served as a **Guest Editor** for the *Journal of Marketing*, *Journal of Marketing Research*, *Journal of the Academy of Marketing Science*, *Journal of Retailing*, *Production and Operations management*, *Journal of International Business Studies*, *European Journal of Marketing*, *Journal of International Marketing*, *Industrial Marketing Management*, and the *International Journal of Research in Marketing*; and **Guest AE** for *Marketing Science*. He is also a reviewer for many journals including the Management Science, Journal of Strategic Marketing, International Journal of Research in Marketing, Journal of Advertising, and IEEE Transactions on Engineering Management.

Dr. Kumar is a member of the American Marketing Association (AMA), the International Institute of Forecasters, the Academy of Marketing Science, and the INFORMS (and the TIMS College on Marketing). He has served as a Track Chair, and Faculty Consortium Chair in the Academy of Marketing Science Conferences. Dr. Kumar was selected to **co-chair** the American Marketing Association's Summer Educators' Conference at Chicago in August 1992. He served as the **Director of the Doctoral Program** in Marketing at the University of Houston from 1992 to 1997; the University of Connecticut from 2002 to 2008; and Georgia State university from 2010 to 2020. Dr. Kumar has served as a *judge* for three consecutive years in the "Houston Awards for Quality" Program. He also served on the **Academic Council** of the American Marketing Association as a *Senior Vice-President for Conferences and Research* and as the *Vice-President of International Activities*. Dr. Kumar currently serves on the Insurance and Financial Services Related Task Force organized by the Hartford Chamber of Commerce and recently served on the **Academic Council** of the American Marketing Association as well its **Knowledge Coalition Task Force**, and the **AMA Finance Committee**. Dr. Kumar is currently the **Vice President, Practice** for the Institute for the Society of Marketing Science (ISMS), and has also served as the *Chair of the first ISMS Doctoral Dissertation Proposal Competition in 2010*.

Dr. Kumar has extensive consulting experience working on marketing research projects for companies including IBM, Comcast, HSBC, P&G, ING, Prudential, Wells Fargo, ICICI, Pitney Bowes, Chick-fil-A, BP/AMOCO, AOL, MGM Mirage, Polo Ralph Lauren, AllState, Home Depot, Equifax, PeopleSoft, Sigma Genosys, Houston Cellular, AT&T, Southwestern Bell, Exxon, Builders Square, American Airlines, Coca-Cola Foods, Channelview Bank, DuPont, First Interstate Bank, Houston Lighting and Power, GTE, San Jacinto Girls Scouts, Inc., Scientific Software Intercomp, Inc., Gallery Furniture, and Texas Children's Hospital. Dr. Kumar has also directed marketing research projects for clients including Coca-Cola Foods, Compaq Computers, Baker-Hughes, Houston Northwest Medical Center, The Daily Cougar Newspaper, Arch Chemicals, IKON, Bristol Myers Squibb, ABB, etc. Dr. Kumar is an expert on working with customer databases to build efficient direct marketing and database marketing programs for Fortune 500 firms dealing with consumer and industrial products. He also builds models and develops marketing programs with the point-of-sale retail scanner data of grocery stores and supermarkets. Dr. Kumar also interacts with A. C. Nielsen and Information Resources, Inc. in analyzing large scanner databases of supermarkets. Dr. Kumar has also served as an expert witness in lawsuits related to market opportunities. He also served on the board of the business research division of one of the fastest growing advertising agencies in the United States of America for over five years and has also served on the Board of one of the Aditya Birla Group of companies.

Dr. Kumar has developed sophisticated statistical models and creative marketing strategies for solving marketing problems. Some of these models were implemented by IBM and P&G Asia-Pacific recently where they reported gains in profits of over 20 million and 40 million dollars respectively. In 2009, Prudential reported a gain of over 450 million dollars when implementing the Emotion Retirement Quotient Tool developed by Dr. Kumar and his colleague. He was recently recognized by the INFORMS Marketing Science Society for his work on Customer Lifetime Value based applications to IBM, and Marketing-Mix modeling-based applications to P&G Asia Pacific. He also won the \$100,000 Academic-Practitioner Challenge sponsored by ISBM-MSI and Northwestern University in 2006-07 for developing the most relevant and rigorous body of knowledge to solve B2B business problems. In 2010, Dr. Kumar was chosen as one of the winners of the **Google-WPP marketing research award** in the worldwide

competition for his co-authored research on monetizing the customer influence in a social media channel. This body of work was implemented in an emerging market - India, for an Ice Cream Retailer - Hokey Pokey. This implementation of Marketing Science to Marketing Practice was selected as the winner of the **2011-2012 Gary L. Lilien ISMS-MSI Practice Prize**.

Dr. Kumar has been cited as one of the *top scholars in marketing worldwide over the last 20 years* (Source: *AMA DocSIG*). He was selected as a recipient of the **2012 Paul D. Converse Award** given for significant contributions to an area in the field of marketing. He has also been recognized with a total of **22 other** Lifetime Achievement Awards. Significant among the Lifetime Achievement Awards include: **3 Fellowship Appointments**, Inducted into the **Analytics Hall of Fame**, **5 Lifetime Contributions Awards** from the AMA for Higher Education (SIG), advancing the Theory and Practice of Marketing Strategy, Theory and Practice of Marketing Research, and Retailing and B2B Marketing; **lifetime recognition** from the AMA Foundation for career contributions to Marketing; the **lifetime award** from the Institute of Study for Business Markets at Penn State University for career contributions in Business to Business Marketing; and **another lifetime achievement award** (Robert B. Clarke Award) from the DMEF for contributions to Direct and Interactive Marketing. Additionally, in 2014 Dr. Kumar was named as the Innovation and Growth (iSIG) fellow at the School of Management at Fudan University in China. Recently, Dr. Kumar was presented with the 2015 AMS/Cutco Distinguished Marketing Educator Award from the Academy of Marketing Science. He also received the inaugural Sheth-Wilson award for the best paper that contributes to advancing B2B marketing. Dr. Kumar was felicitated with the **2023 Tara Lifetime Achievement Award** at Newcastle University, U.K. sponsored by a group of universities in the U.K. and Australia, and the annual held Marketing Strategy and Policy Conference.

He was also recognized as a Marketing Guru by the IIT Alumni Association in 2006, and as a Distinguished Marketing Doctoral Alumni at the University of Texas at Austin. Recently, Dr. Kumar was conferred with the **Bharat Gaurav** (Prestige of India) Award, **Glory of India Award**, **Pravasi Achievers' Gold Medal**, and the **Hind Rattan** (Jewel of India) Award for demonstrating excellence in the chosen profession. A member of Phi Kappa Phi Honor Society, Dr. Kumar received his *Bachelors* in Engineering (with **Honors**) and *Masters* in Industrial Management (with **Distinction**) from the Indian Institute of Technology, and his *Ph.D.* in Marketing from the University of Texas at Austin.

Dr. Kumar has been selected as one of the 8 *Legends in Marketing Worldwide*. His scholarly contributions have been published in the **Legends in Marketing Series** as a 10-Volume Collection by the Sage Publications in 2012 with commentaries from scholars worldwide. Subsequently, the Chinese Ministry of Education awarded the **Chang Jiang Scholar** (2013 - 2019) honor to Dr. Kumar, the highest honor provided to an academic scholar worldwide. VK is also awarded the title of **Distinguished University Professor** (2016 - 2019) at the Huazhong University of Science and Technology, China. Dr. Kumar has been also recognized as a **Lee Kong Chian Fellow** (2015-16) at Singapore Management University, Singapore, where he collaborated with researchers on futuristic topics. Recently, Dr. Kumar has been honored as the **Fellow**, Hagler Institute for Advanced Study, TAMU, College Station, TX. He has been inducted as a **Fellow** of the American Marketing Association in 2017. In 2022, Dr. Kumar has been conferred with the **AMA's Charles Coolidge Parlin Award** (the oldest and the most distinguished), a recognition for his lifetime contributions to marketing research.

As a way of honoring Dr. Kumar's contributions to mentoring of his students throughout his career, the American Marketing Association has instituted an award in his name (<https://www.ama.org/v-kumar-award-for-service-to-marketing-scholarship/>) which has been funded by many of his former doctoral students and well-wishers in the discipline. **This award recognizes academics in the field of marketing who are productive scholars and who have been instrumental in developing doctoral students in marketing.**

h-index

The **h-index** is an index that measures both the productivity and impact of the published work of a scholar. A scholar with an index of h has published h papers each of which has been cited in other papers at least h times. Thus, the h -index reflects both the number of publications and the number of citations per publication.

i10-index

The **i10-index** indicates the number of academic publications an author has written that have at least ten (10) citations from others.

RESEARCH AWARDS

Awarded \$15,000 prize from MSI & Association for Consumer Research (ACR) for research on Customer Experience Initiative titled “Impact of Free Samples on Customer Experience and Customer Engagement.”

Awarded \$5,000 prize from SEF (Sales Education Foundation)/Neil Rackham Research Program.

Awarded \$25,000 prize from Asian Consumer Insights for research on emerging markets.

Awarded \$12,000 prize from MSI & Association for Consumer Research (ACR) for research on Shopper Marketing titled “Do Consumers Move in Herds?: An Empirical Study of How Collective Behavior Affects Shopping with an Online Coupon Retailer.”

Winner of the 2010 Google-WPP Research Award Competition. Awarded \$76,000 prize for research on “Measuring the Value of Word-Of-Mouth in the Social Media”.

Awarded \$12,000 prize from MSI for research on “Measuring Customer Referral Value in Online Social Networks,” 2008-2009.

Awarded \$14,100 from MSI, for research on “Linking CLV to Shareholder Value,” 2007-08.

Awarded \$40,000 from ISBM for winning the 2006 ISBM Academic-Practitioner Proposal Competition.

Awarded \$10,000 from the Marketing Science Institute, 2005-2006 for the research on “Interaction Orientation.”

Awarded \$7,300 from the TeraData Center for Customer Relationship Management at Duke University, 2003-2004, for the research on “Targeting the Right Product to the Right Customer at the Right Time.”

Awarded \$16,000 from the Marketing Science Institute, 2002-2003, for the research on “Improving Marketing Productivity: Knowing When to Sell What to Whom?”

Awarded \$10,000 from the Tera Data Center for Customer Relationship Management at Duke University, 2001-2002, for the research on “Integrated Marketing Strategies for Maximizing Customer Equity.”

Awarded \$12,500 from Northwestern University, 2000-2001, for research on “The Impact of Coupon Elasticity on Profitability.”

Small Grants Program
University of Houston, 1999-2000, 2000-2001

Limited Grant-in-Aid Research Grant
University of Houston, 1987-90, 1991-1992, 1993-96, 1998-99

Faculty Development Leave
University of Houston, Fall 1994

International Enrichment Program
University of Houston, 1993-94

Presidential Research Enhancement Fund
University of Houston, 1991-92

Office of Sponsored Programs
University of Houston, 1990-91

Summer Research Grant
University of Houston, 1989-93, 1995

Summer Research Grant
University of Iowa, 1986

Old Gold Fellowship
University of Iowa, 1986, 1987

Faculty Scholarly Activities Fund
University of Iowa, 1985-86, 1986-87

Marketing Science Institute
Boston, Massachusetts, 1984-86

RESEARCH INTERESTS

Developing Insights for International Business

Innovation Effects of Multinational Enterprises

Strategies to Enhance Customer Engagement

The Impact of E-Commerce and M-Commerce on Consumer Choice Process

Global Diffusion Models and Marketing Mix Diffusion Models

Developing Alternative Methodology for Product Positioning and Market Segmentation

Application of Quantitative Techniques to Strategic Planning

Construction of Models Based on Utility functions for Managerial Decision-Making

Developing Decision Support Systems for Marketing Models

Evaluation of the Factors Influencing Foreign Market Entry

Internationalization of Small Businesses

Developed contacts with both national and local supermarket chain stores and leading marketing research firms such as Information Resources, Inc. and A. C. Nielsen to obtain necessary data for research activities. University of Houston, 1988-2001

Computer Resources Committee
University of Houston, 1989-1994

Faculty Recruiting Committee
University of Houston, 1989-2001

Marketing Chair Selection Committee
University of Iowa, 1986-1987

Department. College. University

Worked with local and national businesses on marketing projects to make them more profitable. In the process we published the findings in scholarly journals.

As the Director of Marketing Research Studies, directed Marketing Research projects resulting in revenues exceeding \$200,000 over eighteen years for the Marketing Department at the University of Houston and at the University of Connecticut.

Clients include Farmers' Insurance, Mincomp, Talent Tree, Houston Astros, Coca-Cola Foods, American Airlines, The Houston Business Council, The Daily Cougar Newspaper, Baker-Hughes, Compaq Computer, Houston Northwest Medical Center, Baby Guard Manufacturing, Inc. (a Canadian firm), Port City Bank, College of Business Administration, and College of Optometry at the University of Houston, etc.
